A HOME FOR EVERYONE (AHFE)
WHAT TO EXPECT

A Home for Everyone (AHFE) is a two-year career coaching program. Coaching is shaped around who you are, what matters to you, and the opportunities or challenges you want help navigating.

In the first year, your coach will help you identify meaningful career goals, build job readiness skills, and move toward work that fits your interests, strengths, and life needs.

In the second year, you and your coach will stay connected for encouragement and problem-solving. When you check in with your coach, the job and housing info you share helps AHFE help more people.
